- 1. School on Lease:** This service involves leasing out educational facilities to interested parties, providing them with the infrastructure needed to run a school without the burden of ownership. It's a flexible option for those looking to start or expand their educational operations quickly.
- 2. Academic Partnership Support:** This includes helping schools form strategic alliances with other educational institutions to enhance their curricular offerings, share resources, and collaborate on academic initiatives. Such partnerships can improve educational quality and broaden opportunities for students.
- 3. Educational Institution Evaluation:** This service involves conducting comprehensive audits and assessments of schools to evaluate their performance, compliance, and operational efficiency. This evaluation helps identify areas for improvement and ensures that educational standards are met.
- 4. Recruitment & Training of Educators:** This service focuses on the hiring process for teaching staff, ensuring that schools attract and retain qualified educators. It also includes training programs to equip teachers with the latest pedagogical strategies and techniques to enhance student learning outcomes.
- 5. Assistance with CBSE Affiliation:** This involves guiding schools through the process of obtaining affiliation with the Central Board of Secondary Education (CBSE) in India. This guidance encompasses understanding the necessary criteria, documentation, and procedural requirements to achieve and maintain affiliation.
- 6. Branding & Marketing Strategies for Schools:** This service helps educational institutions develop and implement effective branding and marketing plans. This may include strategies for online presence, community engagement, promotional campaigns, and overall brand identity development to attract students and establish a reputable name in the education sector.
